

# Justin Reese

Carrollton, TX

[justinreese160@gmail.com](mailto:justinreese160@gmail.com)

682-201-8375

Student at UT Austin for Full Stack web developer. Currently studying the MERN Stack (MongoDB, Express, React, and Nodejs) . Strong ability to create dynamic code and maintain strong communication within my collaborators on projects. Worked fast pace while in my coding boot camp with others of diverse experience and still maintained the ability to exceed expectations.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

## Work Experience

---

### **IT Support Manager**

Peterson Group - Dallas, TX

May 2018 to June 2021

Operated as project manager for IT adjacent projects, providing solutions to staff on case-by-case basis. Developed exhaustive data reports and analysis to upper-management on a daily basis.

Oversaw IT activities to maintain operations by maintaining laptops, tablets and POS systems for 13 store locations.

Developed programs to integrate and update software products and improve system compatibility.

Orchestrated integration and communication of software upgrades.

### **General Manager**

Peterson Group - Dallas, TX

November 2015 to May 2018

Prepared restaurant business plan by reviewing demands, analyzing competitors and developing projections for sales and finances.

Drove year-over-year business growth while leading operations, strategic vision and long-range planning.

Organized budgets, oversaw P&Ls and achieved margin targets consistently to stay on track with growth plans.

Managed budget implementations, employee reviews, training, schedules and contract negotiations.
